## MRS. CYNTHIA GOODMAN CROSSES GREAT DIVIDE

Pioneer Mother of Sonoma Valley  
Died Peacefully Tuesday After a  
Long Illness.

Mrs. Cynthia Goodman, one of the pioneer mothers of California and the Sonoma Valley, passed away rather unexpectedly at 11 o'clock Tuesday morning after several months of frail health. Following a stroke of paralysis Mrs. Goodman had been confined to her bed, but her condition lately was not regarded as critical until the final summons. Her daughter, Miss Mattie Goodman, who has been constantly at her side during her last illness, was with her as the shadow of death enfolded her, as were others upon whom she had bestowed mother-love.

Deceased was born in Old Virginia in 1838, and was a daughter of the late Mr. and Mrs. Stephen Akers, pioneer settlers in California. She was a true Southern woman, possessed of the true hospitality and charm of manner which won her a wide circle of friends.

In the early fifties, at Napa, Calif., she married the late William C. Goodman, and of this union three children were born, two preceding her in death. For many years she resided at the Embarcadero, later moving to the handsome home on Broadway, Sonoma, built by her husband and companion, who passed away some years ago after their golden anniversary. Mrs. Goodman was an ideal housewife and mother. She was a kind neighbor and friend, a fervent patriot and a devout Christian, being affiliated for many years with the M. E. church. Sympathetic and compassionate, she opened her door to many in need and during past years several orphaned children found a loving home with her.

As a member of the Eastern Star, Valley of the Moon Chapter, she upheld the high ideals of the Order and lived up to its teachings to the end.

The funeral Thursday was largely attended. Beautiful tribute was paid to deceased by the pastor of her church, the Rev. S. E. Crowe, while words of comfort and hope were voiced in the prayer offered by Rev.

## JIM SMALL RUN

DOWN BY AUTOMOBILE

James Small (Easy Jim) known to the many readers of the Index-Tribune as its kindly and humorous Vineburg correspondent, met with a serious accident near Vineburg station, when a Chevrolet car, driven by G. V. Cattalani, of the former McIntosh-Shaw ranch, swung into the depot grounds and ran over him. Mr. Small was thrown to the ground, the machine passing over him, breaking several ribs and badly bruising him. Witnesses of the unfortunate accident rushed to Jim's assistance and he was picked up and Dr. Thomson summoned. The doctor found his injuries so serious that he had him conveyed to Crane's sanitarium, where he will be confined for some time. Mr. Small is 67 years of age, but despite the shock and injuries, rallied and is now doing as well as can be expected.

Easy Jim has resided in Sonoma Valley for many years and has a host of friends who hope for his speedy recovery.

## POPULAR ONE CENT SALE STARTS TODAY

The popular one cent sale, by which you get two articles for practically the price of one, starts today at Lambert's Corner Drug Store. The one cent sale has long been popular with thrifty shoppers and was inaugurated here by Mr. Lambert with great success. The sale will continue the first part of next week. See page nine for the big values.

J. F. Prestwood returned from the teachers convention Thursday and the night previous attended Ferris Hartman's production of 'Katinka' in San Francisco.

Mr. Cookman. The M. E. choir rendered Abide With Me, and Nearer, My Good, to Thee. Many out-of-town relatives and friends attended the funeral and followed the remains of the pioneer mother to their last resting place in the silent city.

Besides the surviving daughter, Mattie B. Goodman, a brother, M. P. Akers of Schellville, and a sister, Mrs. Dillon of Petaluma, survive deceased. Mrs. Ada Pauli of this place is a niece.

## Sonoma Valley Bank Is Sold

Pioneer Institution Controlled by Burris' Interest to Become One of Five Banks of Central Commercial & Savings

The Sonoma Valley Bank, founded in 1875 by the late David Burris and one of the strongest small banks in Superior California, will pass into the hands of the Central Commercial and Savings Bank of Vallejo, the sale having been consummated this week. Frank M. Burris and Jesse Burris will be interested in the new bank and will remain as officials under the new regime. The name of the bank is to be changed to the Central Commercial and Savings Bank, Sonoma Valley Branch. The merger will not become completely effective until about the first of the year, when Sonoma's new banking institution, with its affiliation with four other banks, will function.

The Central Commercial and Savings Bank has banking institutions in Vallejo, Benicia, Santa Rosa, Penn Grove and Sonoma. In Penn Grove a new two story bank is being built, the first bank Penn Grove has ever had. The financiers interested in developing this favored section of California, have, with the acquirement of the Sonoma bank, completed a triangle reaching out from Vallejo and covering rich territory adjacent thereto. Their aim is to bring service and capital into communities for the development and upbuilding not possible with the limited capital and facilities of the unit banks. George R. Cadan, vice president and manager of the Santa Rosa branch, is enthusiastic over the latest acquirement of his institution and expresses the greatest optimism in the development of the territory the new Sonoma Valley branch will serve.

"We are going to campaign for

business along modern lines, and help your valley make the growth it should. With a total capital of \$4,000,000, the Central Bank can be of real service and value," says Mr. Cadan.

The officers and directors of the Central Commercial and Savings Bank are well known professional and business men of Solano county. L. G. Harries, ex-judge of Solano, is president; W. J. Tormey, vice president; and George R. Cadan, vice president and manager of the Santa Rosa branch.

All present employees of the Sonoma Valley bank will be retained and F. M. Burris will probably be on the board of directors of the new bank.

The absorption of Sonoma's pioneer banking house is in accordance with modern business trend. Its steady growth and honorable career in the life of the community for almost half a century make it a strong link in the new chain of banks. The goodwill of its patrons is an asset which the Central Commercial and Savings Bank incalculably values and will aim to hold through service, courtesy and the business methods which have been the determining factor in the expansion and success of this group of bankers.

## ESCAPED FROM DELINQUENTS FARM

Two women escaped from the Buena Vista State Farm last Saturday night and gave the authorities a merry chase. One of the runaways applied for a bed at the Swain ranch, Buena Vista, and was captured. Her companion made her way to Sonoma and inquired for the China house. She was evidently looking for opiates, being a victim of the dope habit. Deputy Sheriff Ryan found no trace of her at the local Chinese laundry.

## AT THE HIPPODROME

Two big feature photoplays are scheduled for showing at the Hippodrome Theatre in Napa next week, where "The Loves of Pharaoh" the massive Paramount special, and Ouida's famous story, "Under Two Flags" will be screened.

Priscilla Dean plays the role of "Cigarette," the daughter of the regiment in the latter and it is said to be the most dynamic role in her career.

## CARD OF THANKS

I wish to express my gratitude and thanks to those who came to my assistance following the unfortunate accident of Saturday night. I wish to particularly thank my friends Louis Martin, Harry Dunn, Fred Batto Jr., Grover Rubke, and Henry Forni for their kindness. JAS. B. SMALL

## ST. FRANCIS CONTRIBUTORS

Additional contributions reported to the rebuilding fund of St. Francis church are T. E. Callahan \$100, A. J. Gregnich \$100, A. Friend \$100, F. Nichlini, Annie O'Brien \$70, and Miss Louise Clark \$15.

## MARRIAGE WAS ANNULED

Robert Dillon was granted annulment of his marriage to Rose Schlacter on grounds of misrepresentation by Judge Thompson Friday of last week.

## CELEBRATED SILVER WEDDING ANNIVERSARY

Last Saturday evening Mr. and Mrs. Fred Hansen, prominent Sonoma Valley couple, were guests of honor at an elaborate dinner given in honor of their twenty-fifth wedding anniversary at the French Cottage, El Verano. The dinner, arranged by Mr. and Mrs. Vic Beretta of San Francisco and Mrs. Norby of Boyes Springs, was a credit to the caterers, Mr. and Mrs. P. Vedier, of the resort, and was a complete surprise to Mrs. Hansen. The groom of 25 years ago, Mr. Hansen, was in on the secret and helped arrange for the delightful party to which about 30 friends and relatives were invited.

The dining room of the villa was elaborately decorated with oak foliage and crepe paper streamers and the table was set the entire length of the room. Dainty place cards, fruit, flowers, a handsome wedding cake with silver ornamentation and soft lighting effects made the silver wedding dinner one long to be remembered. The guests were all seated before Mr. and Mrs. Hansen arrived, as the latter thought, for a quiet anniversary dinner. At their approach the dining room lights were switched off and just as the couple crossed the threshold the lights came on again, revealing the beautiful banquet board surrounded by those near and dear to Mr. and Mrs. Hansen.

There was a spontaneous joy fest, the company congratulating bride and groom most heartily, after which the elaborate dinner was served. The menu, consisting of hors d'oeuvres, soup, fresh shrimp salad, entrees, chicken saute with mushrooms, roast turkey, dessert, imported Camembert cheese and coffee, was delicious, and the courses were interspersed with repartee, speech making and songs.

The master of ceremonies, Lieutenant Donnelly, U. S. N., proved a very versatile entertainer, giving poems, patriotic songs and stories with equal facility. There were songs by Miss Eleanor Verdier, Jean Townsend duet by Misses Eleanor and Clothilde Virdier, and a Spanish dance by the former of the accomplished sisters. A feature of the dinner was the presentation by Mr. McCauley, of Vallejo, of a magnificent silver coffee service to Mr. and Mrs. Hansen, a token of the esteem of their friends. A set of silverware of the same pattern was the gift of Mr.

## BENEFIT TONIGHT FOR ST. FRANCIS REBUILDING

Large Crowd Expected to Attend Entertainment and Dance at Boyes Springs Theatre.

Tonight all roads lead to Boyes Springs Theatre where the big benefit for the rebuilding fund of St. Francis Church will be held. People of all denominations have contributed liberally toward the success of the affair and have been untiring in their efforts to arrange a program of interest and enjoyment. The Agnetian orchestra of San Francisco which is so popular with St. Francis and Fairmount dancst lovers, has volunteered its services and will play for dancing this evening. In addition, Hermann Schieck Sonoma Valley's talented musician and dancing master will supervise the Virginia Reel and other square dances which will be a feature. Mr. Schieck is to call the figures in the good, old fashioned way.

There will be many special features, but positively no kangaroo court as was erroneously reported. A record crowd is expected to show Father Byrne that the hearts of the people are in the right place when it comes to aiding the parish, so recently a heavy loser in the fire.

Hansen and wife, Mr. McCauley's presentation speech was acknowledged by Mr. Hansen with deep appreciation, the genial Fred thanking all in behalf of himself and wife for their generosity and kind thought. He particularly complimented Mrs. Vic Beretta, sister of Mrs. Hansen, and Mrs. Norby for their untiring efforts in making the affair so brilliant a success.

Mr. and Mrs. Hansen were the recipients of many hearty messages and letters of congratulations on their anniversary, all full of good wishes that this congenial and handsome couple of the Valley of the Moon would live to also enjoy their golden anniversary.

Those present were Messrs. and Mesdames Rivers of St. Helena, H. P. Cronin of Napa and son, Joe Danner, J. Norby, S. A. Robinson, W. L. Murphy, F. Hansen and Vic Beretta of San Francisco; Lieutenant Donnelly of the U. S. S. Camden; Bert Smith, silver coffee service to Mr. and Mrs. E. LaMont, Charles and James McCauley, Mrs. Ida Vannucci, Miss Jean Townsend, Miss L. Carson, Mrs. E. G. Lynch and Miss R. Bulworth.

Our grammar school pupils are enjoying a week's vacation, the teachers being in attendance at the teachers' institute in Berkeley.

Fred Bulotti, Sonoma's leading decorator and painter, with a force of men, is busy this week painting several residences in El Verano.

Mrs. Morse of San Francisco, an early day resident, has returned to her San Francisco home after a pleasant visit with Sonoma Vista friends.

Dal Emparan, after spending several days as the guest of his friend, Nick Gill, at Agua Caliente Springs, has returned to his home and reports a wonderful time.

Miss Lillian Schultz a charming young lady of San Francisco, was the guest of friends here over the week end. Miss Schultz is a nurse in a San Francisco hospital.

Harry Harmon, of Boyes Springs, champion high diver and instructor of swimming at that place, has been in San Francisco visiting his old friend, Tim McGrath, and looking the bay city over.

George Cause, the siren of Boyes Springs, was in town last week on fire department business, and also boosting Father Byrne's entertainment and dance at Boyes Springs theatre tonight.

The entertainment last Friday evening at our grammar school given for the benefit of the hot drink fund, which the teachers have installed at the school for the pupils on cold days, was largely attended.

Bill Cummings, who is one of the busiest railroad men in the state at present, supplying cars for the grape shippers, passed through here Monday evening, enroute to Santa Rosa. He is an official of the N. W. P.

The writer was pained to learn of the

injuries sustained by Easy Jim Small of Vineburg, who was run down by an auto last Saturday evening, breaking three ribs. He is now at Crane's Sanitarium and his many friends hope for his speedy recovery.

Napa Bridge Creek gave up a ten pound bass last Sunday to John Larson, one of El Verano's disciples of Isaac Walton. In addition Larson landed four other fish of fair size. The fish were running good and our crack fisherman will return again on next Sunday.

Fred Jensen, San Francisco livery man, was in town the first of the week looking over business matters and shaking hands with his many friends. Mr. Jensen has bought 24 acres of land in the Lewis tract and was in Santa Rosa Tuesday closing the deal.

Tony Serres, formerly of this place but now residing in Fortuna, where he is employed by the Standard Oil Co., visited here Saturday, renewing old acquaintances who were glad to see him. During his stay in the valley, he was the guest of his brother, John Serres and family, of Agua Caliente.

Among the candidates doing politics here last week Hoke Smith of Santa Rosa and his opponent, George Mason of Healdsburg. They are the only two candidates contesting at the November election for the office of assessor, with the exception of the school superintendentship, in which the name of Ben Ballard will be written in on the ballot.

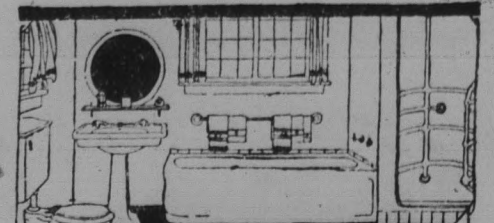

Dal Emparan and Nick Gill entertained the Appel sisters, Ceda and Cora, of Hollywood, at the Agua Caliente dancsant Saturday. Your correspondent had the pleasure of meeting these two beautiful young ladies while at the Springs Sunday and has accepted an invitation to visit them in their southern home. They enjoyed their visit and love Sonoma Valley and its people.

The S. P. Company, on account of the large freight business which is steadily increasing, is contemplating an extension to the side track at Kenwood, as well as El Verano. The trains over this line are made up at Kenwood, therefore it is necessary that an extension be made at that point. The Santa Rosa division is now one of the heavy freight lines of the S. P. system.

The entertainment and dance at Agua Caliente Springs Saturday evening was a grand success, with many celebrities from San Francisco and neighboring towns present. Over 300 were in attendance. The Del Beach orchestra of Vallejo furnished the latest jazz music and Manager Gill, Tom Corcoran and wife were kept busy entertaining the guests who were delighted with the good time accorded them.

The benefit dance and entertainment Saturday evening is the big talk here this week and a large crowd will be on hand at Boyes Springs Theatre to help boost the fund for the benefit of the new St. Francis church, Sonoma. Father Byrne, the popular priest, is working hard in the interests of the show and his many friends throughout Sonoma Valley are with him to help raise the money so that a new church may be started at once to replace the one recently destroyed by fire.

The intention of Ben Ballard and his supporters to start a write-in campaign against Miss Louise Clark, who was elected by some several hundred votes at the primaries, is causing considerable excitement in this town among political leaders. Many of the voters here are rallying to the support of the good looking school ma'am and the writer wishes to tell the world that he has supported Miss Clark first, last and always and predicts she will be elected by a large majority at the November election and will again carry Sonoma Valley. Miss Clark is making a whirlwind campaign against the write-in nominee.

Pearl Oil is refined and re-refined by our special process, which makes it clean burning—no smoke—no odor—no dirt.

Buy Pearl Oil in bulk—the same high quality kerosene as the Pearl Oil sold in five gallon cans.

**Attention Ford Owners!**

Ford parts, like almost everything else worth while, are counterfeited. Imitation parts are manufactured to **SELL** at the highest possible rate of profit and the grades of steel used are consequently not the same high quality, specially heat-treated alloy steels specified in Ford formulas for the manufacture of **GENUINE FORD PARTS**.

Don't be misled—Insist upon **GENUINE FORD PARTS** made by the Ford Motor Company. By so doing you will get from 35 to 100 per cent more wear from them, and you will pay the lowest possible cost—the same everywhere.

**WHAT YOU GET FOR NOTHING IS WORTH NOTHING**

The above is true in most cases, as is the saying "what you get at Cut Rates is something worth less than nothing."

The merchant of today, or any day, is not afflicted with an abnormal enlargement of the heart to the extent that he will buy merchandise and sell it below his cost price, unless there is something wrong with the goods or the merchant. For example, a recent dry goods merchant who conducted a cut rate business, with large ads, here a short time ago.

**A cut rate drug store should be the last place in the world to patronize.**

If you buy a rubber hat water bag for \$1, which is made to sell for \$2, or more, you may be sure that the rubber is dead or dying, according to the amount reduced.

The cut rate drug stores also sell remedies with names that are confused with the names of standard remedies which are sold by legitimate drug stores and the unsuspecting public imagines they are getting the standard article at cut rates.

For over 20 years the Simmons Pharmacy has taken care of the bulk of the legitimate drug business in this valley and the patrons of Simmons Pharmacy were always the first to receive the benefit of any decline in wholesale prices.

As to the grade of medicines used by the Simmons Pharmacy, ask your physician.

**RECOVERING FROM OPERATION**

Mrs. S. Rosenthal is in the Morton Hospital, San Francisco, recovering from a critical operation performed by Dr. Charles S. Schwartz. Mrs. Rosenthal had been a sufferer for the past four or five years and only recently her case was correctly diagnosed by Dr. Hays as gallstones. The operating surgeon found her case a very aggravated one, the stones being of unusual size. Mrs. Rosenthal's doing nicely now and will soon leave the hospital. Her husband, the well known resort proprietor and politician, has fully recovered from his recent operation for appendicitis and is actively attending to business again.

Miss Eugenie Froment has been down to San Francisco visiting her sister, Antoinette and her two interesting little nieces.

**AT CRANE'S SANITARIUM**

The Crane Sanitarium has been crowded to capacity the past few weeks and although many convalescents have left, Mrs. Crane has been immediately besieged with applications for new patients. The beautiful location of this health seekers' rest and the excellent hospital features have won it a splendid reputation.

Among recent patients at the Sanitarium have been.

Ruth Ritz, daughter of Mr. and Mrs. G. Ritz of Buena Vista, operated upon for tonsils.

The little son of Mr. and Mrs. Theodore Pierson of Vineburg underwent treatment for abscesses.

The sixteen months' old baby girl of Mr. and Mrs. Ben Behler of Glen Ellen was treated for poisoning, caused from eating the contents of a pill bottle, which the baby called candy.

Mrs. Cazes of Feters Springs is taking the rest cure, following nerve trouble.

Jim Small of Vineburg, auto victim, is resting as comfortably as can be expected, and is one of the most popular patients under the care of Nurse Reed. Many visitors and phone calls come for Easy Jim.

In addition to the above patients of Dr. Thomson, there are several out-of-town patients being cared for at Crane's.

**MRS. ARTHUR FISK ENTERTAINED SONOMAN**

While Mrs. Carrie Burlingame was attending the conference of Congregational churches at Asilomar, she was the guest of Mrs. Arthur Fisk at her artistic home in Pacific Grove. Mrs. Fisk proved a delightful hostess, taking the Sonoma visitor to many points of interest and describing in detail the charming spots of old Monterey. Mrs. Fisk, as Marjory Buchanan, daughter of Mrs. Kate Buchanan, was one of Sonoma's most vivacious and clever young women.

**SONOMA PAPER CALLED FOR MIS-STATEMENT**

The following letter was sent to the Expositor-Forum by Eustace Cullinan, president of the Greater California League, asking correction of misleading statements in regard to the recent Water and Power Debate written up in that paper. The letter shows up the trickery of those who advertised the "debate":

Oct. 13, 1922.  
Editor, Expositor-Forum,  
Sonoma, Calif.

Dear Sir:—  
In the interest of fair play, I ask that you correct certain misstatements in your issue of October 5 under the heading, The Water and Power Debate. You say that Mr. Grover O'Connor of San Francisco was announced to make the opposing argument on the question, but did not show up. You also say:

"It was learned that it has been a common custom for those opposing the act to accept dates for debates in various places, and then fail to put in a appearance, as was the case in Sonoma."

All that is wrong. Mr. Grover O'Connor was at no time notified that he was to engage in a debate in Sonoma, nor was the Greater California League ever asked to supply a speaker for such a debate. Mr. O'Connor would gladly have accepted, as he has met Mr. L. C. Davidson in debate several times and has found it easy to refute his statements and expose his fallacies.

The opponents of the act have never dodged a debate. The fact is that Mr. Davidson is playing his old trick. Numerous times he has arranged for meetings on the representation that there was to be a debate, but never has he informed us of the arrangement. Then when we, knowing nothing of the matter, send no speaker, to meet him, he tells his audience and the newspaper editors that the opposition is afraid to debate the question.

Surely you have been deceived, and will not hesitate to make amends for the injustice done us.

Very truly yours,  
EUSTACE CULLINAN  
President, Greater California League.

# California in Pawn!

That's what the proposed additional \$500,000,000 bonded debt would do

ON the ballot at the election November 7th will be a proposed initiative amendment to the State constitution miscalled the water and power "act." This act provides: [1] For the creation of a new, appointive commission, to be named the water and power board, with authority to issue bonds of the State of California to the amount of half a billion dollars, and to invest the money virtually without restriction in water and power projects, yet unspecified, and in any incidental business: [2] That the board may hire such employees as it desires and fix their pay, without regard to the civil service. [3] That the board may also fix its own rates and, under the loose language of the act, it will be possible for the board to give preferential rates to favored communities. [4] That, in the event that the ventures in which the money is invested prove unprofitable the losses are to be made up out of taxes. Or bonds may be issued to pay expenses of operation or maintenance or interest on prior issues, thus pyramiding the state's debt. The act is an unlimited deficiency bill.

CALIFORNIA now has a bond debt exceeding that of any state except New York and Massachusetts. Should the additional 500 millions be issued the bond debt of California will amount to more than forty per cent of the aggregate bond debt of all the states of the Union.

In 1921, California paid in national, state and local taxes in excess of a million dollars a day. Her tax bill exceeded by four million dollars the gross value of all her crops; and California is an agricultural state.

## CALIFORNIA CANNOT STAND THE DRAIN

Our prosperity cannot long stand such a drain. Taxes are a drag on every form of industry. And everybody pays taxes, if not directly, at least in his rent, his grocery bill, his light and water bills.

It is nonsense to say, as promoters of the act do, that there will be no increase of taxes because the ventures in which the money will be invested will pay for themselves. Who guarantees that these speculations will pay for themselves? The act makes ample provision for payment by taxpayers if the ventures result in losses instead of profits.

Nor is there any necessity or demand for such a speculation with the taxpayers' money. We have in California an abundance of power, cheaper than anywhere else in the country, served by private companies whose rates, financing and service are strictly regulated by public officials under the public utilities law. We now have the benefits of public ownership without its liabilities.

Adoption of the act would put all industry and every community in California under the heel of a political board with power to build up an impregnable political machine. It would impede the industrial growth of the State.

## TAKE A LESSON FROM NORTH DAKOTA

You have not forgotten that in 1917 the Non-Partisan League, a name under which socialists masquerade, put the state of North Dakota into the wheat and flour business and into incidental banking and merchandising businesses.

Yet in three years the Non-Partisan League experiments with government in business had brought the state to a condition of economic prostration. Taxes trebled. It is a dismal story of incompetence and dishonesty. Then the people of North Dakota recalled the Non-Partisan administration; but the harm had been done.

## TIME TO RING THE ALARM

The Non-Partisan League made the same confident promises in North Dakota that promoters of the water and power act are now making in California.

In January of this year the Non-Partisan League organized a California branch and set out to win political control of California.

The official bulletin of the League published in Berkeley announces that the Water and Power Act is one of the main provisions of the League's working program.

It is time to ring the alarm. It is time for every citizen interested in the welfare of California to take notice. Do not let the Non-Partisan Leaguers and their allied visionaries do to California what was done to North Dakota. People in North Dakota did not believe such a thing could happen, until it did happen. Take warning by their experience.

### RICHARDSON WILL USE PRUNING HOOK

The sentiment, which is really better termed judgment, of the people is growing hourly for Friend W. Richardson to be governor of this wonderful State of California which has a better destiny than to be tax-ridden as it has been the past few years. California has been shamefully imposed upon during the previous administrations and despite its richness and prodigious production, its foundation has become extremely shaky through its exploitation by political montebanks masquerading as uplifters.

Friend W. Richardson as treasurer of the State not only had firsthand knowledge of the chunks of money going out for hundreds of unnecessary things and a hoard of inefficient job holders, but he realized that the people were actually scrimping to pay taxes to keep the "good thing" not only going but going stronger all the time. In other words, Richardson saw there was no let-up to the vandalism and not likely to be unless someone with actual knowledge of the menace brought facts and figures before the people and halted the impudent march toward the brink of bankruptcy. He sounded the warning and was at once proclaimed the man to do the job. Those who knew him, knew he would do it and do it thoroughly. He plainly stated before the primaries what he could do in the way of retrenchment and despite the efforts of his opponents to twist his statements and confuse the public his definite statement carries conviction and assurance. Here is what Mr. Richardson says:

"If I am elected in November I shall submit to the Legislature in January, 1923, a budget that will call for an actual decrease of from \$12,000,000 to \$15,000,000 below the last biennial budget of \$91,000,000. I will do this without crippling a single humanitarian function and without deducting a single dollar from the State's educational funds. A decrease in State expenses will benefit directly every citizen in California, whether or not a taxpayer."

### NAPA VALLEY SEES THROUGH WOOLWINE BUNK

(From St. Helena Star)

Thomas Lee Woolwine, Democratic nominee for governor, has visited the viticultural counties of Sonoma and Napa and has addressed the people on the plank in his personal platform that favors light wines and beer.

We presume that what he said on this subject in St. Helena was about the same as in other places. If so, it certainly must be disappointing to his friends and also those who, in all sincerity, favor the manufacture of light wines and beer and their sale.

Mr. Woolwine started out by saying that he favors light wines and beer. He then quoted figures to show how bootlegging is thriving; how crime is increasing, largely because of the use of moonshine and narcotics; how it is difficult to enforce such unpopular laws as the Volstead Act; and how the lack of enforcement is causing disrespect of all laws. He concluded his dis-

cussion by saying that if the Wright Act is adopted in November and he is elected governor, he will give to the people an example of strict enforcement such as they have never seen before.

After listening attentively to Mr. Woolwine and making notes of his address, we are unable to determine whether he favors light wines and beer or the adoption of the Wright Act.

It is not the purpose of this article to discuss either light wines and beer or the Wright Act, but to show Mr. Woolwine's inconsistent and ridiculous position, and that his stand for light alcoholic beverages is merely an attempt to pull the wool over the eyes of those who desire wine. Mr. Woolwine did not attempt to tell his audience how his election would have anything to do with the restoration of wine and beer. He did not, because he cannot. He couldn't have any more to do with it than an infant in arms.

We called attention to this omission on the part of Mr. Woolwine to a representative of the San Francisco Examiner immediately after the meeting on Wednesday and his reply was: "Oh, well, Mr. Woolwine's election would show the sentiment of the people."

The Examiner man is wrong. The election of Mr. Woolwine would not restore light wines and neither would it show a sentiment in favor of their restoration, because, at the same election, either W. J. Pearson or Hiram Johnson, both "dry," will be elected United States Senator; C. C. Young, the driest of the dries, who was nominated for lieutenant governor by 150,000 majority, will be re-elected by probably double that vote; seven dry Congressmen out of eleven will be re-elected practically without opposition, as will also the four who might be classed as "wet." Even the platforms of both the Republican and Democratic parties are silent on the wet and dry question.

There is only one way light wines and beer can be restored and that is by an amendment to the Volstead Act. There is only one power on earth that can amend the Volstead Act and that is Congress, and should it be amended it would have to be signed by the President and then, probably, stand the test of the Supreme Court, before it finally becomes operative. Even if our State Legislature at its next session should memorialize Congress to amend the Volstead Act, the Governor could not even sign the memorial. It would be attested by the Speaker of the House and the Lieutenant Governor and then be forwarded to Washington.

We know nothing about Mr. Woolwine, except that for the past eight years he has been District Attorney of Los Angeles county. But for him to come to Napa county and attempt to lead the wine men to believe that through his election light wines might be restored, is an insult to the intelligence of those engaged in the viticultural industry.

Vote for Mr. Woolwine if you think he will make the best Governor, but do not vote for him with the idea that his election will affect the prohibition question in the slightest degree or be a step in favor of light wines and beer. Mr. Woolwine knows better, and so does every thinking man, woman and child.

Mrs. Eshbach is to spend the winter with relatives in the East. She was on a visit there five years ago.

Mr. and Mrs. W. L. Murphy attended the Richardson-For-Governor banquet at the Hotel Oakland Wednesday night.

Muller & Downey are completing the interior finish and decorating of the handsome new \$6000 bungalow being built for Mr. and Mrs. A. Maffei on Napa street.

Ben Pinder writes of his pleasant visit to the east and particularly mentions the splendid bass fishing which he has been enjoying back there. He is expected home next month.

Opposed to the

## WRIGHT ACT

OFFICIAL ARGUMENT

AGAINST THE WRIGHT ACT

(Proposition No. 2 on the November Ballot)

By Charles E. McLaughlin, of Sacramento

Wisdom dictates that California electors reject this new departure and unusual law. If this Wright Act becomes the law of California, we must either recruit and compensate more peace officers or detach from an already inadequate staff more "purity squads" to seek illicit loves, liquors and stills whilst unprotected homes and business places are looted and burglars, robbers and murderers revel in an extra wave of crime. We should do neither. California should not unnecessarily assume national burdens. She has quite enough of her own. Our people are not responsible for the situation.

If this act imposed upon California the enforcement of ALL national penal laws entailing tremendous expense, it would be overwhelmingly defeated. Yet this would be more logical than the selection of ONE such law for enforcement at the expense of California Taxpayers. California should refuse to assume either burden. Our government rests on the principle that functions of State and Nation are distinct. Disregard of this principle is hazardous. Teetotalers, even prohibitionists, opposed the eighteenth amendment as radical departure from our system of government which vested in each State EXCLUSIVE POWER to regulate the conduct of its citizens. Admonished by study and experience that infringement of this power must cause friction and strife, they held integrity of government higher than prohibition or any pretext for such a dangerous precedent.

Zealotry now proposes a further revolutionary change in the surrender by California of the power to make and change its laws in the "adoption" by reference of the national Volstead Act and, worse still, all future amendments of and substitutes for that law. Adoption is a new, strange, careless method of making laws and when applied to future Congressional productions is as foolish as the adoption of unborn children who may suit or may not. Our State constitution forbids the adoption of laws by reference to title, and it is elementary that future Congressional acts cannot amend, repeal or supersede the Volstead Act should it become State law. Prudence should not sanction nor courts approve this novel method of enacting and perpetuating law. If, however, this adoption proceeding should carry, fanatical persistency may boast a "glorious victory" and a reversal by California electors of their rejection in 1914, 1916, 1918 and 1920 of prohibition laws as promotive of temperance. The consequences may then be left to chance and courts. Opposition is characterized as hostility to law enforcement. But abuse is never argument and multiplication of law officers, expense, accompanied by divided responsibility does not aid law enforcement. Pretense that the nation alone cannot enforce the Volstead Act is hypocritical reflection on national integrity and power. Resort to revolutionary change and State intervention has been unnecessary to the enforcement of more important national penal laws than this and mere reform of personal habits and appetites does not justify it.

This tendency to intermingle, confuse and change functions of Nation and State, tinker with and disregard constitutions and resort to unusual methods should be halted ere it results in governmental chaos.

### Vote "No" on Proposition No. 2 ON THE NOVEMBER BALLOT

Prohibition Enforcement Act—Submitted to electors by referendum. Declares unlawful all acts and omissions prohibited by the 18th Amendment to the Federal Constitution and by the Volstead Act, adopting the penalties therein prescribed; vests State courts with jurisdiction and imposes upon prosecuting officers, grand juries, magistrates and peace officers the duty to enforce said laws; permits local enforcement of ordinances prohibiting the manufacture, sale, transportation or possession of intoxicating liquors; this act to conform automatically to changes in said Federal laws.

## DEATH TAKES PROMINENT CITIZEN

P. H. Thompson, Bank Director and Ex-Supervisor Passes Away

Peter H. Thompson, who had been prominently identified with Sonoma Valley for half a century, passed away at his home on Broadway Saturday and was buried here Monday. Mr. Thompson had attained the advanced age of 88 years. For the past year or two he had been growing feeble and was no longer able to transact business or attend the directors meetings of the Sonoma Valley Bank which had long been his custom. He gradually grew weaker and death came as in sleep.

His was a long and active career, beginning with a voyage from the old country and a trip around Cape Horn to California. He settled first at the mines in Sierra and Nevada counties, being active there during the early fifties. Later he came to Contra Costa county where he resided a short time, later taking a trip to Europe. In 1873, Mr. Thompson with his friend the late L. M. Johansen, settled in Sonoma Valley on the fine ranches these neighbors owned for many years. He was active in public life and deeply interested in educational matters. He was elected Supervisor of this district two terms, during which time he served the people with conscientious attention to their every best interest.

Mr. Thompson's wife, formerly Eveldine C. Jepsen, a sister of Mr. Johansen's first wife, died many years ago. Children born to the union were Eva, May, Henry, Frank, Florence and Ralph Thompson. Deceased had resided on Broadway with his daughter May Thompson and his son Ralph, prior to his death. His daughter Florence (Mrs. Chas. Cutter) resides in Sonoma valley and was also with her father much of the time during his declining years. A daughter, Eva, now Mrs. Jos. Potter, resides in Oakland. Frank Thompson, a son, makes his home in San Jose.

The funeral was under auspices of the Masons, of which Mr. Thompson had been a life long member.

**HARVEY TOY MAY BE NEXT MAYOR OF S. F.**

Harvey Toy, the enterprising San Francisco hotelman and booster, who is well known in Sonoma Valley on account of his promotion and subdivision of Sonoma Vista, now one of the most popular residence tracts adjacent to Boyes Springs, is being mentioned as a possibility for mayor of San Francisco at the next election. The folks up at Sonoma Vista are much interested in this gossip of political wisecracks for they already have one ex-mayor of San Francisco, P. H. McCarthy, living up there and now with another Sonoma Vista man talked of for mayor, Sonoma Vistans are beginning to feel their importance. Here is what the Knave in the Oakland Tribune has to say about Harvey Toy:

Whether or not Harvey Toy, of the Manx Hotel, is being groomed for mayor and will make the race in next year's campaign, is a question that is being bandied about among the several aspirants in the supervisory chambers at the city hall. Toy, a veteran in the hotel game, has recently been brought to the fore by reason of his enlistment in every popular movement for the benefit of the city or the entertainment of its visitors. He is prominent in the campaign to put over next year's Portola celebration, is on the Victory Highway committee and volunteers his services wherever he thinks they would be appreciated. The San Francisco headquarters of Friend W. Richardson in his gubernatorial contest have all along been in Toy's hostelry.

**P. C. MEINHARDT****FERRY COMPANY AIDS ROAD CONSTRUCTION**

According to information given to officials of the Golden Gate Ferry Company by the State Highway Commission, the Black Point Cut-off will be thrown open to traffic early next month. Considerable delay was caused by construction work on this road and has prevented direct routing of automobile traffic from Sacramento, Napa, Sonoma and Valley of the Moon districts into Marin County way of San Rafael, all traffic having come by way of Petaluma.

Officials of Golden Gate Ferry Company have repeatedly urged the early completion of this work and are also aiding other districts to secure road development.

Despite the inclemency of the early winter weather there has been a remarkable increase in ferry traffic, especially in the movement of motor truck freight, according to officials of the Company.

Rapid progress is being made on the construction of the second Diesel Electric boat, the "Golden West", which will be in service not later than May 1, 1923.

The Company is maintaining a half hour service and is giving the traveling public better service than they ever had.

Miss Kate Laurenzi has been up from San Francisco superintending the loading of several big grape purchases in the vicinity of Glen Ellen.

### MARGARET RUBKE VERY SICK CHILD

Margaret Rubke, the pretty and vivacious little daughter of Station Agent and Mrs. Grover Rubke of Vine-

burg has been critically ill with pleural pneumonia. Two doctors have been in attendance and great anxiety was felt in regard to the case. At this writing, Dr. Hays reports Margaret's condition more favorable.

### MRS. R. VANNUCCHI GOES TO HER REWARD

Passing of a Beloved Mother and Friend of Many, Ends Earthly Suffering.

Mrs. Rosalie Vannucchi of El Verano, widow of the late B. Vannucchi, beloved mother of Paul Vannucchi, passed to her reward during the early hours of Wednesday at Mary's Help Hospital in San Francisco. Death came as a surprise from many months of suffering, during which time every thing that science, love and kindness could do was bestowed upon the sufferer. Her son and host of friends were untiring in their devotion to this good woman whose life had been given to constant thought of others and whose every day was a record of some good deed for those about her. She was a Christian in the truest sense, charitable to a fault and kind heartedness itself.

For many years, Mrs. Vannucchi had conducted Paul's Resort at El Verano, (named for her only son), and as hostess thereof, she won hundreds of friends, for she was untiring in her efforts to please the many families who came there year after year on their summer vacations. Old and young, rich and poor, the old timers and the strangers within Sonoma Valley's gates, all praised and respected this pleasant, cheerful, big-hearted little mother.

Deceased was born Sept. 4, 1862 at Pese Faido, Canton Ticino, Switzerland. She came first to Sonoma Grove in 1908 and later built the present Paul's Resort, improving the acreage and making it one of the most popular family hotels of the valley.

Mrs. Vannucchi was a good and careful manager, her word was her bond and honesty characterized every transaction of which the owner of Paul's resort was the principal.

Some months ago she left the home in the valley she loved, to undergo treatment for an old ailment, in the

metropolis. She was destined never to return, and passed out Wednesday, surrounded by her dear ones. The funeral took place Friday, Oct. 20, from St. Dominic's Church, San Francisco where a solemn high mass was celebrated for the repose of her soul.

Magnificent floral tributes were silent messages of love from the many who mourn her.

### DEPUTY SHERIFF RYAN NABS ROBBER SUSPECT

With a Burns detective on his trail, Billy King, a salesman for an oil concern blew into Sonoma Friday of last week and was promptly located and taken into custody by Deputy Sheriff Joe Ryan. A warrant for his arrest was wired from Los Angeles, where it is believed he was implicated in several bank robberies. For some time past his picture has been identified as that of a man who was passing negotiable paper stolen from various banks in the South. Deputy Sheriff Ryan located King in Garry's Bead Flag Garage where he was trying to sell lubricating oil. When confronted with his picture and description from police headquarters, the salesman acknowledged he was the man wanted and was promptly taken to Santa Rosa. A deputy sheriff from Los Angeles arrived the following day and took King to Los Angeles.

The dinner and harvest festival at the M. E. Church was a great success. Mr. and Mrs. Jos. Felder are building a beautiful six room modern home on their dairy ranch.

### A DEPENDABLE FURNACE WITH A REPUTATION

The Atlas furnace, of which Roter-mundt & Abele are the Sonoma agents is known as the dependable furnace with a reputation. This furnace is revolutionizing the science of house heating on the basis of greater economy and should be investigated by anyone contemplating the installation of a furnace.—adv.

Mr. and Mrs. Al Pieratt, Mrs. J. Miss Elsie Yenni, daughter of Mrs. Golds and Miss Muriel Golds were over from Napa Monday for the funeral of the late P. H. Thompson, in Napa Friday.—Napa Register.
